

KROMATA

dalla luce i colori
de la lumière les couleurs
Light brings colours
Aus dem Licht..... die Farben
Цвета, происходящие от света

**Il tempo cambia l'aspetto
di ogni forma, ne modifica
i contorni, ne muta i colori;
col tempo "nuovo" riviviamo
ancora la loro vita...**

**le temps change la face
de chaque forme, il modifie
les contours, il change les couleurs
avec le "nouveau" temps nous revivons
encore leur vie**

**Time changes appearance of shapes,
it modifies profiles, it turns colours;
nowadays we experience their lives
again...**

**Die Zeit verwandelt das Aussehen
jeder Form, verändert Ihre Konturen,
erleuchtet die Farben; in der "neuen"
Zeit erleben wir wieder Ihr Leben.....**

**Время меняет облик любой формы,
изменяет её контур и цвет,
с "новым" временем мы ещё
раз проживаем всю их жизнь.**
