COTTOGRES

Il cuore della tradizione pulsa in una serie che interpreta il cotto trasformandolo in stilema decorativo.
Gres porcellanato a tutta massa: superfici che la tecnologia ha creato secondo ricette artigianali,
la bellezza di un prodotto resistente, ispirato al cotto di antichi casali.
Una collezione per vestire ambienti sospesi tra estetiche che si rincorrono e modelli che ritornano.

The heart of tradition beats in a series that interprets terra cotta and transforms it into a decorative stylistic feature.
Full porcelain stoneware: surfaces that technology has created according to traditional recipes, the beauty of a product that is
highly resistant, inspired by the terra cotta of old farmhouses. A collection for enhancing environments suspended
between ever-changing tastes and models that always return.

Le cœur de la tradition bat en une série qui interprète la terre cuite en la transformant en un style décoratif.
Grès cérame pleine masse: surfaces que la technologie a créé selon les recettes artisanales,
la beauté d'un produit résistant, inspiré à la terre cuite des anciens hameaux.
Une collection pour vêtir des espaces qui vaguent entre esthétiques qui se poursuivent et modèles qui refont surface.

In dieser Serie pulsiert das Herz der Tradition – eine Neuinterpretation von Terrakotta als dekoratives Stilelement.
Durchgefärbtes Feinsteinzeug: Oberflächen, die dank hochwertiger Technologie auf Basis einer soliden Handwerkstradition entstanden sind.
Die Schönheit eines widerstandsfähigen Produktes, das den Terrakottafliesen alter Bauernhäuser nachempfunden ist.
Diese Kollektion eignet sich für ein Ambiente mit ästhetischem Anspruch und wiederkehrenden Modellen.

В этой серии, пропитанной колоритом традиции, котто трансформируется в декоративную стилему.
Гомогенный керамогранит: поверхности, созданные с помощью технологии по ремесленным рецептам, красота прочного изделия,
ассоциирующегося со старинными деревенскими домами. Коллекция, предназначенная для помещений, при отделке которых
важно сочетание внешней красоты и возвращающихся традиционных образов.
